Town of WHITESTOWN
SUMMER
PROGRAM Children ages 7-13
at Dunham Manor Park
M-F July 6 - August 14 • 9am-1pm

Dear Parents,

Welcome to the summer program! We are so excited to have the kids back again! There are a few things we'd like to cover in this packet, so that we can work together with good communication, ensuring a GREAT experience for your child(ren)!

FIRST please walk your children up to the check in table by **8:45**, so we can start the program promptly at 9:00. It's difficult to pull a coach from their assigned group to check you in late, once things get started. Also, please walk in to pick them up at the end of the day at 1:00, no later than 1:10. This is for the safety of the children. If you have signed a form allowing your child to walk to or from the playground please be aware these times are still a factor.

FOOTWEAR....PLEASE send your child in **SNEAKERS, NOT flip flops**. All children will be expected to participate with the group for various activities. Some activities will require athletic footwear, and this is an important component to your child's safety as they attend.

SEND WATER. Some days will be warmer than others. We will make sure that we stop for water breaks. Please send your child with a **LABELED** water bottle. There are fountains for refilling at the park.

Please do not bring dogs or any other pets into the playground.

Summer Program is dependent on the weather. If there is a light rain we will stay in the pavilion and wait it out for up to one half hour. If there is a lighting storm forecasted, we will cancel. If an unexpected thunder and lightening storm rolls in unexpectedly, we will be cancelling and you will be required to pick up your child within a half hour. Again, as we stated on the registration forms, this is not a daycare program. **Someone will need be available to pick them up if needed.** When we cancel or end early you will be contacted via the remind app. See the attached instructions.

SUNSCREEN! Our staff will not be allowed to apply sunscreen so please apply sunscreen before you come or at the playground before you leave.

WEEKLY FIELD TRIPS! Communication will be continuous via the **REMIND** app regarding these weekly adventures. Your child may miss out on the field trip opportunities if they are not signed up and included in our head count for the busses. **SIGN UP** and payment is due to reserve a spot. Daily updates sent via **REMIND** app. **PLEASE** make sure you have the app **PRIOR** to your child's first day. It's a constant means of communication for updates and cancellations.

No electronics or cell phones will be allowed. If they bring them, they will be asked to leave them in their backpack or bag, in the storage room until the end of the day. Any emergencies can be communicated thru the **REMIND** app, directly to the Director, and we can get the message to your child for an immediate return call. **Please communicate this to your child, so this is not a surprise.**

On hot days we may use a sprinkler. You may want to have a towel with you when picking up your children. They are also welcome to bring a towel and a change of clothes if needed.

Due to nut allergies of some of our participants, please avoid sending in all nut based foods. We have a refrigerator available for lunches.

Thank you for your cooperation in these matters. Your children's safety and enjoyment are our first concerns.

Thank you,

Whitestown Recreation Staff
315-768-6047

Town of Whitestown Summer Program Emergency Information

(Must be completed and turned in on Registration night)

Child's Name _____ Date of Birth _____ Age _____

Whitestown Summer Program Inclement Weather Policy

Parents/Guardians are urged to be aware of the daily weather forecast and weather conditions prior to sending their children to the Whitestown Summer Program.

Parents/Guardians must be available to come get their children if the program needs to close due to weather or other emergency circumstances. The Summer Program is neither a day care or a day camp and, thus, we cannot keep children in our care if the weather conditions are not safe. This is why we request more than one point of contact when children are registered with our program.

In the event of rain:

The Summer Program will stay open for approximately one half-hour (30 minutes) if it begins steadily raining which means pouring, not sprinkling. If the rain continues, the program will close for the day, and you'll need to plan on picking up your child.

In the event of a forecasted thunderstorm: If a severe thunderstorm is forecasted, the program will be canceled. If thunder is heard or lightning seen, the program will be shut down immediately. Children will need to be picked up within a half hour of the call.

Heat Wave

- When the Heat Index is forecasted to be between 90 and 100 degrees, high physical activity games that involve running, like kickball, will be limited to the morning hours. Water breaks will be incorporated regularly at all sites, with water being provided.
- When the Heat Index reaches 101 degrees, the Playground Program will be shut down.

High Winds

- The Summer Program will be closed in the event a High Wind Warning has been issued by the National Weather Service.

All Alerts and updates regarding any closings will be communicated via the REMIND app.
